Transitional Arrangements MSc Accounting and Control

In September 2017 the curriculum of the MSc Accounting and Control will partly change. The SBE Board has, in accordance with the Exam regulations and in consultation with the Programme Directors, Examination Board and the Joint Meeting, made these transitional arrangements:

1. Corporate Governance, Risk Management and Control: This mandatory course will no longer be offered in the Academic year 2017-2018 and will not be replaced by another mandatory course. Instead, the number of electives required to complete the programme will increase from two to three. Students who have not successfully completed Corporate Governance, Risk Management and Control can choose any of the other electives offered in the programme, including a new elective Information Risk Management offered in period 5.

2. The elective Information Risk Management cannot be chosen by students who have passed the course Corporate Governance, Risk Management and Control.

If you have any questions about these arrangements please contact the Academic Advisors: VUnet.

Adopted by the SBE Board on 27 June 2017 and endorsed by Joint Meeting on 6 July 2017.
