Transitional Arrangements MSc Business Administration – Information and Knowledge Management 2017-2018

In September 2017 the curriculum and name of the MSc Business Administration – Information and Knowledge Management will change. The new name will be MSc Business Administration – Digital Business and Innovation. The SBE Board has, in accordance with the Exam regulations and in consultation with the Programme Directors, Examination Board and the Joint Meeting, made these transitional arrangements for students who did not pass one or more courses from the list below.

General Information

1. These transitional arrangements are valid only in the academic year 2017 – 2018.
2. The validity of constituent results for courses with an extra exam or assignment will be extended to August 31, 2018. If you failed all components or didn’t participate in the course in 2016-2017 you have to complete a course of the new programme. In the text and schedule below you can find the names of these replacing courses.

Transitional arrangements

1. E-business and Information Management: This course will no longer be offered, Digital Business and Information Systems with similar content will replace this course and will be offered in period 1
2. Knowledge and Innovation Networks: There will be one extra opportunity to resit one of the missing component to finish this course, deadline week 8 of period 1. If you miss more than one component you can follow the new course Management of Digital Innovation in period 1
3. New Ways of Working: This course will no longer be offered, Working and Organizing in a Digital Age with similar content will replace this course and will be offered in period 2
4. Managing Service Innovation: This course will be offered in period 5 instead of period 2. Students missing that course can follow the course in period 5.
5. Technology and Innovation Processes: There will be one extra opportunity to resit one of the missing component to finish this course, deadline week 8 of period 2. If you fail that opportunity of if you miss more than one component you can follow the new course Digital Innovation lab in period 4
6. Ethics: This course will no longer be offered, Ethics in a Digital World with similar content will replace this course and will be offered in period 3
7. Research Seminar I and II: If you miss one of the courses you can make the individual assignment to complete this course. If you miss both you have to follow the new course Research Design & Methods
8. Business Process Management and IT Alignment: This course will be offered in period 2 instead of period 4. Students missing that course can follow the course in period 2.
9. If you still need to complete the thesis register for E_BA_THS_IKM in VUnet (not E_BA_THS_DBI)
