Employees of the VU University and associated departments can order catering through the banqueting order site. This is our online ordering system:
https://www.bestellenbijeurest.nl/vu.

TO ORDER

In order to be able to execute orders as well as possible, we would like to receive your request and / or order as early as possible. To guarantee that we can execute your request at the desired service level, we keep the following order periods:
• Requests without service up to 50 persons can be ordered until 16:00 for the day after.
• Requests without service can be ordered up to five (5) working days in advance.
It is possible, of course, that due to circumstances you may wish to place an order after the expiry of the order period. In such cases, we are happy to be of service. In order to provide you with the best possible service, we always ask you to contact the Eurest Banqueting department directly via telephone in these cases (see contact information on page 1).

To modify
The number of guests can be changed until up to 3 hours before the start of the meeting with a maximum change of 10%.

To cancel
Cancelling an order is free of charge until 16:00 the day before the meeting. Customized orders can be cancelled free of charge up to 2 working days before the meeting. Costs that are incurred for products or services that cannot be used in any other way, we are compelled, in reasonableness and fairness, to charge the costs. We make these costs transparent.

Customization
Requests for customized events can be made up to 5 working days prior to the meeting or event. We have a lot of experience with events at the Vrije Universiteit Amsterdam like conferences, graduations, receptions, and bachelordays. As home caterer of the VU Amsterdam, we are very familiar with the specific wishes concerning these events.

It is possible to extend the time, in that case, please contact Eurest Banqueting.
